**Description:**  
Sales tax data is reflected for businesses in the Applewood Shopping Center, its satellites along Youngfield Street and 32nd Avenue, and the adjacent commercial area on the southeast corner of 32nd Avenue and Youngfield Street.

- Notes:**
1. The 2010 through 2015 sales tax totals by area were drawn from the data that was provided to and used by Ricker-Cunningham. The original source of the area sales tax revenues is the City's sales tax software. Tax revenues for those years is from the City financial documents and includes increments allocated to tax sharing agreements with businesses and the Wheat Ridge Urban Renewal Authority.
2. The 2016 area totals were drawn from the sales tax software and the City total represents the unaudited sales tax revenue as represented in the general ledger including increments allocated to tax sharing agreements with businesses and the Wheat Ridge Urban Renewal Authority.
3. The area codes are zoning-based codes assigned to commercial areas in the City in order to enable efficient reporting on economic statistics by geographic district.
